Sixth Watch (Night Watch) By Sergei Lukyanenko

The final chapter in Sergei Lukyanenko's internationally bestselling Night Watch series—a revelatory urban fantasy set in contemporary Moscow.

They live among us. They fight among us. They're the Others, a supernatural race of magicians, shape-shifters, vampires, and healers. Divided into the Light and the Dark, these rival factions have spent a millennium under a reluctant truce. Now, however, both sides must unite against the ultimate enemy.

A Light magician and high-ranking member of the Night Watch, Anton Gorodetsky fears nothing. But lately the threats are mounting. A reincarnated vampire has been terrorizing Moscow. His daughter's school is ambushed by a bizarre chimera. And the Prophets have all reached the same chilling conclusion: The world will end in five days' time.

To ward off the apocalypse, an ancient council called the Sixth Watch must be assembled. After both Light and Darkness select their emissaries, Anton must enlist the unwilling aid of the four other Great Parties: the Vampires, the Witches, the Form-Takers, and the enigmatic Foundation. Journeying from Russia to Paris, the Alps, and New York City, Anton comes in peace—but he is prepared for war. For if he fails, none are safe.

Editorial Review

Review

"Lukyanenko's vision of a bustling supernatural world that's just out of sight is just as wryly bewitching as it ever was." SciFi Now "A satisfying end to the series, and one that ties up a lot of loose threads." i "Supernatural fiction doesn't get any better than this." CultureFly, '6 Must Read Books for Autumn'

From the Back Cover

A SINISTER MESSAGE, A DIRE PROPHECY, AND AN ENEMY UNLIKE ANYTHING THE NIGHT WATCH HAS EVER FACED

For a millennium, the Others, a supernatural race of magicians, shape-shifters, vampires, and healers, have maintained an uneasy peace between Light Others and Dark Others that has protected both our world and the Twilight, a shadowy parallel world beneath our own. Now, these rival factions must unite against the ultimate enemy.

A Light magician and high-ranking member of the Night Watch, Anton Gorodetsky fears nothing. But lately the threats are mounting. A reincarnated vampire has been terrorizing Moscow, and is using the victims to send him a message. His daughter's school is ambushed by a chimera unlike any he has seen. And the Prophets have all reached the same chilling conclusion: Our world is running out of time.

If we are to stand a chance, the rival factions of Others must unite against this evil as the Sixth Watch. But can they put aside their grievances with the world at stake? Will it be enough? Journeying from Russia to Paris, the Alps, and New York City, Anton comes in peace—but he is prepared for war. For if he fails, no one is safe.

About the Author

Sergei Lukyanenko was born in Kazakhstan and educated as a psychiatrist. He began publishing science fiction in the 1980s and has published more than twenty-five books. He lives in Moscow with his wife and son.

Users Review

From reader reviews:

Michael Brown:

In this 21st century, people become competitive in every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yes, by reading a reserve your ability to survive raise then having chance to remain than other is high. For yourself who want to start reading any book, we give you this Sixth Watch (Night Watch) book as beginning and daily reading e-book. Why, because this book is greater than just a book.

Johanna Hernandez:

Is it an individual who having spare time in that case spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Sixth Watch (Night Watch) can be the reply, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this new era is common not a geek activity. So what these publications have than the others?

David Bergeron:

Within this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become certainly one of it? It is just simple approach to have that. What you are related is just spending your time very little but quite enough to possess a look at some books.
